DETAILED ACTION

1. Applicant's amendment to the title and abstract are acknowledged.

Consequently, objection to the title and abstract are withdrawn.

Allowable Subject Matter

2. Claims 33-38 renumbered as 1-6 are allowed.

The following is an examiner's statement of reasons for allowance: claims 33-35 were indicated as allowable in the previous Office Action because the prior art of record does not disclose or make obvious a graphical user interface comprising a query conditions screen, an aggregation screen area, a grouping screen area, first and second selection elements functioning as recited in claim 33. Newly added claims 36-38 recite the limitations of claims 33-35 in form of a method, thus are allowable for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
